Work Experience

Big Spaceship
Brooklyn, NY
fall 2007

Design Intern

Produced and integrated materials for many of Big Spaceship's websites, including clients such as Ford, AMC, and Adobe. Extensive use of Photoshop, Illustrator, and Flash.

American Greetings Interactive
Los Angeles, CA
spring 2007

Design Intern

Produced animated shorts and small interactive pieces for the company's website kiwee.com. Majority of the work was animation using After Effects and Flash, as well as writing programs in actionscript. Also created music and sound effects.

ImageArray
Columbus, OH
spring/fall 2006

Design Intern

Worked with head designer to produce animations for digital signage. Extensive use of After Effects and other Adobe programs to create animations which span multiple display screens. Also worked on conceptual company branding.

Pitney Bowes Inc
Shelton, CT
spring/fall 2005

Graphic Design Intern

Worked with a team of graphic designers to create product support materials for a wide range of products. Materials produced include: instructions, packaging, advertisements, and posters. Also prototyped software and animated demos.

University of Cincinnati
Cincinnati, OH
2005-2007

Teacher's Assistant

Assisted with teaching digital design fundamentals to freshman design students. I conducted class presentations, critiques, and tutorials. I was responsible for technical assistance, critical advice, and grading of class projects.
